

## Reckless Driving

Lizzy McAlpine

### [Verse 1: Lizzy McAlpine]

C Am  
I didn't mean to kiss you  
F  
I mean I did, but I didn't think it'd go this far  
C Am  
I didn't mean to kiss you  
F  
Now you can't focus on the road when I'm in your car

### [Pre-Chorus: Lizzy McAlpine]

G  
Now we're going one hundred  
Am G/B  
Your hands aren't on the wheel  
F  
'Cause you're just staring at me like you're not convinced that I am real  
G  
And now we're at one-eighty  
Am G/B  
And I can finally see  
F  
But then it's over in a second, crashed  
D  
the car into the tree  
F  
Yeah, I can see it all happen  
G  
You'd rather die than take your eyes off me

### [Chorus: Lizzy McAlpine]

C  
I don't love you like that  
Am  
I'm a careful driver  
F G  
And I tell you all the time to keep your eyes on the road  
C  
But you love me like that  
Am  
You're a reckless driver  
F G  
And one day it will kill us if I don't let go

### [Verse 2: Ben Kessler]

C  
I don't know how to tell you  
Am  
That I feel safe when you say shotgun  
F  
Never felt this way with no one

C Am  
And I lie when I tell you  
F  
I know exactly where we're going  
I get lost just for this moment

### [Pre-Chorus: Ben Kessler | Lizzy McAlpine]

G  
Now we're at one hundred  
Am G/B  
My hands aren't on the wheel (Hands aren't on the wheel)  
F  
And I don't wanna lose this moment  
Want you to know just how I feel (Just how I feel)  
G  
Now we're at one-eighty  
Am G/B  
And I can finally see  
F  
But then it's over in a second, crashed  
D  
the car into the tree  
F  
I don't know how it happened  
G  
Guess I'd die to keep your eyes on me

### [Chorus: Ben Kessler]

C  
'Cause I love you like that  
Am  
I'm a reckless driver  
F G  
And you tell me all the time to keep my eyes on the road  
C  
Do you love me like that?  
Am  
If I keep on driving  
F G  
Would you hold me when we crash or would you let me go?

### [Bridge: Lizzy McAlpine]

G# F  
Don't wanna scrape you off the pavement  
C  
I can't be your savior  
I don't wanna be here when you lose control  
G# F  
Don't wanna watch it as it happens

C  
See the crowd's reaction

I don't wanna be here when you kill us both

### [Chorus: Lizzy McAlpine | Ben Kessler]

G#  
'Cause I don't love you like that  
(Cause I love you like that)  
F C  
I'm a careful driver  
(I'm a reckless driver)  
And I tell you all the time to keep your  
G#  
eyes on the road  
(And you tell me all the time to keep my eyes...)  
But you love me like that  
(Do you love me like that?)  
F C  
You're a reckless driver  
(If I keep on driving)

And one day it will kill us if I don't let go  
(Would you hold me when we crash?)

G#  
'Cause I don't love you like that  
(Cause I love you like that)

F  
I'm a careful driver  
(I'm a reckless driver)

C  
And I tell you all the time to keep your eyes on the road  
(And you tell me all the time to keep my eyes...)

G#  
But you love me like that  
(Do you love me like that?)

F  
You're a reckless driver  
(I'm a reckless driver)

C  
And one day it will kill us if I
