

## Hands Down - Dashboard Confessional

### [Verse]

E C#m A  
Breathe in for luck, breathe in so deep  
B D E  
This air is blessed, you share with me  
C#m A  
This night is wild so calm and dull  
B D E  
These hearts they race from self control  
C#m A  
Your legs are smooth as they graze mine  
B  
Were doing fine Were doing nothing at

### [Chorus]

E G#m7  
All my hopes are so high that your kiss might kill me  
A G#m7  
so wont you kill me so I die happy  
E G#m7  
My heart is yours to fill or burst  
A G#m7  
to break or bury or wear as jewelry whichever you prefer

### [Verse]

E C#m  
The words are hushed lets not get busted  
A B  
Just lay entwined here undiscovered  
E C#m  
Safe in here from all the stupid questions  
A B  
"Hey did you get some" man that is so dumb  
E C#m  
Stay quiet Stay near Stay close  
A B  
They cant hear so we can get some

### [Chorus]

E G#m7  
All my hopes are so high that your kiss might kill me  
A G#m7  
so wont you kill me so I die happy  
E G#m7  
My heart is yours to fill or burst  
A G#m7  
to break or bury or wear as jewelry whichever you prefer

### [Bridge]

C#m A E  
Hands down this is the best day I can ever remember  
B

always remember

C#m A E  
the sound of the stereo the dim of the soft lights the scent  
of your hair  
B C#m  
that you twirled in your fingers and the time on the clock  
A  
when we realized  
E B  
it's so late and this walk that we shared together  
C#m A E  
The streets were wet and the gate was locked so I jumped  
B  
it and I let you in and  
C#m A  
you stood at your door with your hands on my waist and  
E B  
you kissed me like you meant it  
C#m A E  
and I knew that you meant it that you meant it that you  
B  
meant it  
C#m A E  
And I knew that you meant it that you meant it
