```
          A          E          A
I have often walked down this street before;
            A            Cm       B        E
But the pavement always stayed beneath my feet before.
        Bm                   A           F#m
All at once am I Several stories high.
         B           E               A
Knowing I'm on the street where you live.

           A          E          A
Are there lilac trees in the heart of town?
           A            Cm       B        E
Can you hear a lark in any other part of town?
        Bm                      A           F#m
Does enchantment pour Out of ev'ry door?
         B             E               A
No, it's just on the street where you live!

    C#                  D
And oh! The towering feeling
        Dm                      A
Just to know somehow you are near.
    F F#m        D#m
The overpowering feeling
          C#    G#        G#m        Bm       E
That any second you may suddenly appear!

           A          E          A
People stop and stare. They don't bother me.
           A            Cm       B        E
For there's no where else on earth that I would rather be.
        Bm          Dm    C#m              F#m
Let the time go by, I     won't care if I
        B             E     D    E    A
Can be here on the street where you live.
