

Vampire by Olivia Rodrigo

Capo 3

[Intro]

D F#7 G Gm**

[Verse 1]

D
Hate to give the satisfaction asking how
F#7
you're doing now
G
How's the castle built off people you
pretend to care about?
Just what you wanted

Gm*

Look at you, cool guy, you got it

D
I see the parties and the diamonds
F#7

sometimes when I close my eyes

Six months of torture you sold as some
G

forbidden paradise

I loved you truly

Gm*

You gotta laugh at the stupidity

[Chorus]

Em

'Cause I've made some real big mistakes

A7

But you make the worst one look fine

D

I should've known it was strange

F#7

You only come out at night

G

I used to think I was smart

Gm

But you made me look so naïve

D

The way you sold me for parts

F#7

As you sunk your teeth into me, oh

G* Gm*

Bloodsucker, famefucker

N.C. D

Bleeding me dry like a goddamn vampire

[Verse 2]

D
And every girl I ever talked to told me you
F#7

were bad, bad news

You called them crazy, God, I hate the

G

way I called them crazy too
You're so convincing

Gm

How do you lie without flinching
(How do you lie? How do you lie? How do
you lie?)

D
Oh, what a mesmerizing, paralyzing,

F#7

fucked up little thrill

Can't figure out just how you do it and

G

God knows I never will
Went for me and not her

Gm

'Cause girls your age know better

[Chorus]

Em

'Cause I've made some real big mistakes

A7

But you make the worst one look fine

D

I should've known it was strange

F#7

You only come out at night

G

I used to think I was smart

Gm

But you made me look so naïve

[Bridge]

G
You said it was true love

Gm
But wouldn't that be hard

D
You can't love anyone

A
'Cause that would mean you had a heart

G Gm
I tried to help you out, now I know that I
can't

D A
'Cause how you think's the kind of thing

G Gm D A

I'll never understand

'Cause I've made some real big mistakes

But you make the worst one look fine
