---

Intro: | G#m | E - B | E - B | F# - G#m | (x2)

1. I woke up with a fear this morning. But I can taste you on the tip of my tongue

Alarm with - out no warning. You're by my side and we've got smoke in our lungs

Last night we were way up, kissing in the back of the cab.

And then you say, "Lo - ve, baby, let's go back to my flat"

And when we wake up, never had a feeling like that. I got a reason, so man, put that record on a - gain

Chorus: I don't wanna hear sad songs anymore. I only wanna hear love songs

I found my heart up in this place to - night. Don't wanna sing mad songs anymore

Only wanna sing your song. 'Cause your song's got me feeling like I'm

I'm in love, I'm in love, I'm in love. Yeah, you know. Your song's got me feeling like I

2. No fear but I think I'm falling, I'm not proud. But I'm usually the type of girl that would hit and run

No risk so I think I'm all-in. When I kiss your lips, feel my heartbeat thump

And now we're way up, dancing on the roof of the house

And then we make love, right there on your best friend's couch

And then you say "Love, this is what it's all a - bout"

So keep on kissing my mouth and put that record on again

Chorus: Repeat Chorus

I'm in love, I'm in love, I'm in love

I'm in love, I'm in love, I'm in lo - ve

I'm in love, I'm in love, I'm in love

Yeah, you know your song's got me feeling like I
