

Steal My Sunshine - Len (1998) | Key: E

[Intro]

B / E riff (used everywhere)

[Verse]

A E  
I was lying on the grass  
B  
On sunday morning of last week.  
A E B  
Indulging in my self defeat  
A E  
My mind was thugged, all laced and bugged,  
B  
All twisted wrong and beat.  
A E B  
Uncomfortable I'm three feet deep.  
A E  
Now the fuzzy stare from not being there  
B  
On a confusing morning week.  
A E B  
Impaired my tribal lunar-speak.  
A E  
And of course you can't become  
B  
If you only say what you would have done.  
A E B  
So I missed a million miles of fun.

[Chorus]

A E B  
I know it's up for me.  
(If you steal my sunshine)  
A E B  
Making sure I'm not in too deep.  
(If you steal my sunshine)  
A E B  
Keeped versed and on my feet.  
(If you steal my sunshine)  
A E B

[Interlude]

B

---

[Tim] Hey, Matt  
[Matt] Yeah, Tim?  
[Tim] Hey, you talked to Marc lately?  
[Matt] Uh, haven't really talked to him but he looks pretty, uh, down  
[Tim] "He looks pretty, uh, down?" Yeah, well maybe we should cheer him up then  
[Matt] What do you, uh, suppose we should do?  
[Tim] Well, does he like butter tarts?

[Verse]

A E  
I was lying on the bench slide  
B  
In the park across the street.  
A E B  
L-A-T-E-R that week.  
A E  
My sticky paws were into making straws  
B  
Out of big fat slurpy treats.  
A E B  
An incredible eight foot heap.  
A E  
Now the funny glare to pay a gleaming tare  
B  
In a staring under heat.  
B E B  
Involved an under usual feat.  
A E  
And I'm not only among  
B  
But I invite who I want to come.  
A E B  
So I missed a million miles of fun.

[Repeat Chorus]

[Outro Chorus]

A E B  
I know it's done for me.  
(If you steal my sunshine)  
A E B  
Not something hard to see.  
(If you steal my sunshine)  
A E B  
Keeping dumb and built to beat.  
(If you steal my sunshine)  
A E B

[Outro]

A E B  
My sunshiiiiinnnee. (If you steal my sunshine) [4x]

---

[Tim] Chad, come here come here, come here  
[Chad] Wow, look at her  
[Tim] I know  
[Chad] Wow, I've never seen Sharon look so bad before  
[Tim] I did once before but this is pretty bad  
[Chad] Yeah, what do you think she got up to last night?  
[Tim] Well, I, "Jared, I love you!"
