F Gm 2x

```
F        Dm          Gm         C7
Try to remember, the kind of September,
     F        Dm       Gm     C7
when life was slow and oh, so mellow.
F        Dm          Gm         C7
Try to remember, the kind of September,
     F         Dm        Gm        C7
when grass was green and grain was yellow.
Am       Dm          Gm         C7
Try to remember, the kind of September,
     F          Dm         Gm     C7
when you were a tender and callow fellow.
F        Dm          Gm       C7
Try to remember, and if you remember,
     F
then follow.

F        Dm           Gm          C7
Try to remember, when life was so tender,
     F      Dm      Gm       C7
that no one wept, except the willow.
F        Dm           Gm          C7
Try to remember, when life was so tender,
     F           Dm      Gm        C7
that dreams were kept, beside your pillow.
Am       Dm           Gm          C7
Try to remember, when life was so tender,
     F           Dm      Gm      C7
that love was an ember, about to billow.
F        Dm          Gm       C7
Try to remember, and if you remember,
     F
then follow.

F         Dm           Gm        C7
Deep in December, it's nice to remember,
  F          Dm        Gm        C7
although you know, the snow will follow.
F         Dm           Gm        C7
Deep in December, it's nice to remember,
```

```
    F     Dm        Gm       C7
without a hurt, the heart is hollow.
Am        Dm           Gm       C7
Deep in December, it's nice to remember,
    F          Dm           Gm      C7
the fire of September, that made us mellow.
F         Dm          Gm              C7
Deep in December, our hearts should remember,
    F       Dm      F       Dm      F
and follow, follow, follow, follow, follow . . .
```
