G D Em C

[Verse]

G D Em C
I heard you crying loud
G D Em C
all the way across town
G D
You've been searching for that someone
Em C
And it's me out on the prowl
G D Em C
As you sit around feeling sorry for yourself

G D Em C
Well don't get lonely now
G D Em C
And dry your whining eyes
G D
I'm just roaming for the moment
Em C
Sleazin' my back yard so don't get
G D Em C
So uptight you been thinking about ditching me

[Chorus]

Am C
No time to search the world around.
Am C
Cause you know where I'll be found
N.C.
When I come around

[Instrumental]

G D Em C
G D Em C

[Verse]

G D Em C
I heard it all before
G D Em C
So don't knock down my door
G D Em C
I'm a loser and a user so I don't need no accuser
G D Em C
To try and slag me down because I know you're right
G D Em C
So go do what you like
G D Em C
Make sure you do it wise
G D
You may find out that your self-doubt
Em C
means nothing was ever there
G D
You can't go forcing something
Em C
if it's just not right

[Chorus]

Am C
No time to search the world around.
Am C
Cause you know where I'll be found
N.C.
When I come around
