

Lover Girl, Teena Marie

| Am | Am | F | G | → | Am | Fmaj7/A | Dm7/A | G/A | (x4)

VERSE ONE

Am **Fmaj7/A**
Coffee, tea or me, baby, touche olé
Dm7/A **G/A**
My opening line might be a bit passé
Am **Fmaj7/A**
But don't think that I don't know what I'm feeling for you
Dm7/A **G/A**
'Cause I got a vibe on you the first time that I saw you, saw you
Am **Fmaj7/A**
I need your love and I won't bring no pain
Dm7/A **G/A**
A little birdie told me that you feel the same
Am **Fmaj7/A**
I'm for the real and for you I'm true blue
Dm7/A **G/A** **F** **G**
Let's make a deal, sugar, all I want to do is be your 1 & only lover

CHORUS

Am **F G Am F G**
I just want to be your lover girl
Am **F G Am F G F G**
I just want to rock your world; Hey..hey..hey..hey-ay...

VERSE TWO

Am **Fmaj7/A**
Hook, line and sinker baby, that's how you caught me
Dm7/A **G/A**
My second verse might be a bit old hat
Am **Fmaj7/A**
But don't think that I don't know what it's doing to me
Dm7/A **G/A**
'Cause I got a vibe on you the first time you saw thru me, thru me
Am **Fmaj7/A**
I need your love and I won't bring no pain
Dm7/A **G/A**
A little birdie told me that you feel the same
Am **Fmaj7/A**
I'm for the real and for you I'm true blue

Dm7/A **G/A** **F** **G**
Let's make a deal, sugar, all I want to do is be your one and only lover

CHORUS

Am **F G Am F G**
I just want to be your lover girl
Am **F G Am F G F G**
I just want to rock your world; Hey..hey..hey..hey-ay...

I just want to be your lover girl
Am **F G Am F G F G**
I just want to rock your world; Hey..hey..hey..hey-ay...

BREAKDOWN

A-MINOR: VAMP A GROOVE! (x4)

OUTRO (1) → (2)

A-MINOR: STAY ON GROOVE

(1) SINGING

Baby, let me groove you
Baby, let me rock your world
I just want to rock your world

(2) RAP

Coffee, tea or me, baby, touch olé
My opening line might be a bit passé
But don't think that I don't know what I'm feeling for you
'Cause I got a vibe the first time that I saw you, whoa-oh-oh

When the push comes to shove
And you need a little love
Let me put some rock into your world
Call me up don't be shy
For my love will make you high
I just want to be your lover girl
