[Verse 2]

I've been down this road before

Alone as I can be

Careful not to let my past

Go sneaking up on me

Got no future in my happiness

Though regrets are very few

Sometimes a little tenderness

Was the best that I could do

[Chorus 2]

I remember everything

Things I can't forget

Swimming pools of butterflies

That slipped right through the net

And I remember every night

Your ocean eyes of blue

How I miss you in the morning light

Like roses miss the dew

How I miss you in the morning light

Like roses miss the dew
