

Vampire Empire by Big Thief

[Intro]

A D x4

[Verse 1]

A D/A
Watching TV tired, bleeding on the bed

A D/A
The milk has just expired, all the leaves
are dead

A
I'm not quiet, you've been quiet — just
D/A
receiving what you said

A
Reeling, feeding, feeling filled by
D/A
everything you fed

A D/A
I see you as you see yourself through all
the books you read

A D/A
Overwhelmed with guilt and realizing the
disease

[Dhorus]

A D/A
You give me chills, I've had it with the
drills

A D/A
I'm nothing, you are nothing, we are
D/A
nothing with the pills

A D/A
I'm empty till she fills, alive until she kills

A D/A
In her vampire empire, I am

A D/A
Falling, yeah

A D/A
Falling, yeah

[Verse 2]

A D/A
I see you there rejecting all your earthly
power

A D/A
Protecting and dissecting till you've
D/A
emptied every hour

A D/A
We jump into the pond, then we come
under the shower

A D/A
You lay upon my pillow and you open like
a flower

A D/A
I wanted to see you naked, I wanted to
hear you scream

A D/A
Wanted to kiss your skin and your
everything

A D/A
I wanted to be your woman, I wanted to
be your man

A D/A
I wanted to be the one that you could
understand

[Dhorus]

A D/A
You give me chills, I've had it with the
drills

A D/A
I'm nothing, you are nothing, we are
D/A
nothing with the pills

A D/A
I'm empty till she fills, alive until she kills

A D/A
In her vampire empire, I am

A D/A
Falling, yeah

A D/A

[Bridge]

[Verse 3]

N.D. N.D.
Well, I've walked into your dagger for the
last time

N.D. N.D.
It's like trying to start a fire with matches
in the snow

N.D. N.D.
Where you can't seem to hold me, can't
seem to let me go

N.D. N.D.
So I can't find surrender and I can't keep
control

A
You turn me inside out and then you

D/A
want the outside in

A D/A
You spin me all around, then you ask me
not to spin

A D/A
You say you want to be alone and you
want children

A D/A
You wanna be with me, you wanna be
with him

[Dhorus]

A D/A
You give me chills, I've had it with the
drills

A
I'm nothing, you are nothing, we are
D/A

nothing with the pills

A D/A
I'm empty till she fills, alive until she kills

A D/A
In her vampire empire, I am

A D/A
Falling, yeah

A D/A
Falling, yeah

A D/A
Falling, yeah
