G / G/E / G/F# / G/E

G / G/E / G/F#

G/E                      G / G/E / G/F#

When we were young

            G/E              G / G/E / G/F#

We wanted to die

                    G/E              Em / Em/D / Em/B

But the sound of a drum

                    Em/G              C / C/A / C/B

And the words of a child

                    C/A              G / G/E / G/F#

Brought different light

                    G/E              G / G/E / G/F#

Now no one can tell

                    G/E              Em / Em/D / Em/B

The winter was nice

                    Em/G              C / C/A / C/B / C/A

But the summer is hell

G / G/E / G/F# / G/E

G / G/E / G/F#

G/E                    G / G/E / G/F#  
The ground was so hard  
G/E                    G / G/E / G/F#  
The nights were so long  
G/E                    Em / Em/D / Em/B  
But we suffered the dark  
Em/G                    C / C/A / C/B /  
And we wrote all those songs  
C/A                    G / G/E / G/F# /  
Still I was a fool  
G/E                    G / G/E / G/F# / G/E  
I covered my ears

Em Em/D Em/B Em/G  
No I would not face the  
C C/A C/B C/A            G / G/E / G/F# / G/E  
Last snowstorm of the year

G / G/E / G/F# / G/E

Em Em/D Em/B Em/G  
No I would not face the  
C C/A C/B C/A            G / G/E / G/F# / G/E
