

INTRO: Am | Em7 (x4)

Am **G** **Fmaj7** **Em/D**

Don't believe what you hear, don't believe what you see

Am **G** **Fmaj7** **Em/D**

If you just close your eyes you can feel the enemy

Am **G** **Fmaj7** **Em/D**

When I first met you girl, you had fire in your soul

Am **G** **Fmaj7** **Em/D**

What happened your face of melting snow?

C

Now it looks like this.

Am **Am**

And you can swallow or you can spit

F **G**

You can throw it up or choke on it

Am **Am**

And you can dream, so dream out loud

F **G** **Am7**

You know that your time is coming 'round

F **G***

So don't let the bastards grind you down

REPEAT INTRO: Am | Em7 (x2)

Am **G** **Fmaj7** **Em/D**

No nothing makes sense, nothing seems to fit

Am **G** **Fmaj7** **Em/D**

I know you'd hit out if you only knew who to hit

Am **G** **Fmaj7** **Em/D**

And I'd join the movement if there was one I could believe in

Am **G**

Yeah I'd break bread and wine if there was

Fmaj7 **Em/D** **C**

a church I could receive in..... 'Cos I need it now

Am **Am** **F** **G**

To take the cup, to fill it up; to drink it slow, I can't let you go

Am **Am** **F** **G**

And I must be an acrobat to talk like this and act like that

Am7 **Am7**

And you can dream, so dream out loud

F **G** **F** **G**

And don't let the bastards grind you down...whoa oh oh

F

What are we going to do now it's all been said?

Am **F** **G***

No new ideas in the house, and every book has been read

Am **Am**

And I must be an acrobat

F **G**

To talk like this and act like that

Am **Am**

And you can dream, so dream out loud

F **G**

And you can find your own way out

Am **Am**

You can build and I can will

F **G**

And you can call I can't wait until

Am **Am**

You can stash and you can seize

F **G**

In dreams begin responsibilities

Am **Am**

And I can love, and I can love

F **G** **Am**

I know that the tide is turning 'round

F **G***

So don't let the bastards grind you down
