1. I'd rather be a - lone tonight. You can say "I love you" through the phone tonight.

F#m7 Gmaj7

Really don't wan - na be in your arms tonight. I'll just use my covers to stay warm tonight.

G/A Dmaj7

Think I'm better off here all a - lone tonight. Ain't no checkin' on when I get home tonight.

F#m7 Gmaj7

Just makin' sure I'm good on my own tonight. Even though there isn't nothin' wrong tonight.

G/A Dmaj7

Yeah, I'm just sayin', baby. I can't really miss you if I'm with you.

Gmaj7

And when I miss you, it'll change the way I kiss you. Baby, you know time apart is beneficial.

G/A

It's like I'm the universe and you be N-A-S-A.

Dmaj7

Chorus: Give you the whole world, I'ma need space. I'ma need space, I'ma, I'ma need.

F#m7 Gmaj7 G/A

You know I'm a star, space, I'ma need space. I'ma need space, I'ma, N-A-S-A. (x2)

Dmaj7

2. Bottom line. Usually, I would love it if you stayed the night.

F#m7 Gmaj7 G/A*

I just think I'm on another page tonight. It ain't nothing wrong with saying I need me time.

Dmaj7 F#m7 Gmaj7

Usually, I would orbit around you. But gravity seems to be the only thing that's pulling me.

G/A

You'll be my rise and shine soon as them stars align, mmm.

Dmaj7

Baby, I can't really miss you if I'm with you.

Gmaj7

And when I miss you, it'll change the way I kiss you. Baby, you know time apart is beneficial.

G/A

It's like I'm the universe and you be N-A-S-A.

Chorus: Repeat Chorus

Dmaj7

Bridge: You don't wanna leave me, but I'm tryna self-discover.

F#m7 Gmaj7

Keep me in your orbit and you know you'll drag me under.

G/A Dmaj7

You don't wanna leave me, but I'm tryna self-discover.

F#m7

(You don't wanna leave me, but I'm tryna self-dis - cover)

Gmaj7

Keep me in your orbit and you know you'll drag me under.
