That this has all been wonderful but now I'm on
C
my way
A G D
When I think it's time to leave it all behind

I try to find a way but there's nothing I can say

So I try to hear the music but I'm always losing
time

D7#9 D7#9 D7 C#7 C7
Stealin' all my lines

[Chorus]

Waiting for the time when I can finally say

my way
A G D
When I think it's time to leave it all behind

I try to find a way but there's nothing I can say
