

It's Cold Outside - The Choir (1966) | Key: D

[Intro]

A

[Verse]

Well, my world used to be sunny  
 And jokes used to be funny  
 But now you're gone and everything's turned  
 All around

[Verse]

Well, my world used to be warm  
 And there never was a storm  
 But now you're gone and everything's turned  
 upside down

[Chorus]

And now it's cold outside,  
 And the rain is pouring down  
 And the leaves are turning brown, can't you see?  
 That now it's cold outside,  
 And it's all because of you  
 Cause there's nothing I can do to make you love me
