

Let's Make the Water Turn Black

Frank Zappa

Now believe me when I tell you that my song is really true

I want everyone to listen and believe

It's about some little people from a long time ago

And all the things the neighbors didn't know

Early in the morning Daddy Dinky went to work

Selling lamps and chairs to San Ber'dino Squares

And I still remember mama with her apron and her pad

Feeding all the boys in Ed's Cafe

Whizzing and pasting and pooting through the day

Ronnie helping Kenny helping burn his poots away

And all the while on a shelf in a shed

Kenny's little creature's on display

CHORUS:

Ronnie saves his numies on a window in his room

A marvel to be seen; dysentery green

While Kenny and his buddies had a game out in the back

LET'S MAKE THE WATER TURN BLACK!

VERSE 2:

We see them after school in a world of their own

To some it might seem creepy what they do...

The neighbors on the right sat and watched them every night

I bet you'd do the same if they was you

BRIDGE:

Whizzing and pasting and pooting through the day

Ronnie helping Kenny helping burn his poots away

And all the while on a shelf in a shed

Kenny's little creature's on display

CHORUS:

Ronnie's in the Army now and Kenny's taking pills

Oh! How they yearn to see a bomber burn!

Color flashing, thunder crashing, dynamite machine!

Wait till the fire turns green... Wait till the fire turns green...

WAIT TILL THE FIRE TURNS GREEN!

VERSE 3:
