

Taylor Swift Medley

LOVE STORY

D
We were both young when I first saw you
G
I close my eyes and the flashback
Bm
starts I'm standing there on a
G
balcony in summer air
D
See the light see the party the ball gowns
G
See you make your way through
Bm
the crowd And say hello
A
Little did I know
G
That you were Romeo you were
A
throwing pebbles
Bm
And my daddy said, "Stay away from
D
Juliet"
G
And I was crying on the staircase
A Bm
Begging you, please, don't go

YOU BELONG WITH ME

D
If you could see that I'm the one who
understands you
A
Been here all along so why can't
Em G
you see? You belong with me
D
Standing by and waiting at your
A
back door All this time
How could you not know
Em G
Baby you belong with me

22

D
I don't know about you
G
But I'm feeling 22
A
Everything will be alright
G
If you keep me next to you
D
You don't know about me
G
But I'll bet you want to

A
Everything will be alright
G D A
If we just keep dancing like we're 22

BLANK SPACE

D
So it's gonna be forever or it's
Bm
gonna go down in flames
You can tell me when it's over,
Em
If the high was worth the pain
Got a long list of ex lovers, they'll
G
tell you I'm insane
Cause you know I love the players and you
D
love the game Cause we're young
and we're reckless
Bm
we'll take this way too far
It'll leave you breathless, mmm
Em
Or with a nasty scar
Got a long list of ex lovers
G
They'll tell you I'm insane
N.C.
But I've got a blank space baby...

TROUBLE

Bm G
I knew you were trouble
A
when you walked in
D A Bm
So shame on me now-ow
G A
Flew me to places I never been
D A
Till you put me down oh
Bm G
I knew you were trouble
A
when you walked in
D A Bm
So shame on me now-ow
G A
Flew me to places I never been
D
Now I'm lying on the cold hard
Bm
ground
Bm G A D A
Oh, oh, trouble, trouble, trouble
Bm G A D A
Oh, oh, trouble, trouble, trouble
YOU NEED TO CALM DOWN
D

You are somebody that I don't know, but
you're takin' shots at me like it's Patrón
G
And I'm just like "Damn, it's 7 a. m"
D
Say it in the street, that's a knock-out, but
you say it in a tweet, that's a cop-out
G
And I'm just like "Hey, are you ok?"
D
And I-ain't tryna mess with your
self-expression but I've learned a
lesson That stressin' and obsessin'
G
'bout somebody else is no fun
A
And snakes and stones never broke my
bones
D
So oh-oh, oh-oh, oh-oh, oh-oh,
G
You need to calm down
down, you're being too loud
And I'm just like
D
oh-oh, oh-oh, oh-oh, oh-oh, oh-oh
G
You need to just stop, like can you just not
step on my gown? You need to

INVISIBLE STRING

D
Time, curious time
Em
Gave me no compasses, gave me no signs
D Em
Were there clues I didn't seeeeeeee?
D Em
And isn't it just so pre-tty to think
D
All along there was some
Em
Invisible string
G D/F# Em Bm
Tying you to me?
G D/F# Em Bm
Ooh-oo-oo-oo

ENCHANTED

G D
This night is sparkling
A G
Don't you let it go
D
I'm wonderstruck
A G
Blushing all the way home
D
I'll spend forever wondering if you
Bm D A D
knew I was enchanted to meet you
