What's the consolation prize, Economy sized dreams of hope

When I was a kid I thought, I wanted all the things that I hadn't got

B G#m E
Then I realized what it took, To tell the difference between thieves and crooks
F# B B
When all along it was me and you

[Chorus 2]

E F#
Give me something that I need, Satisfaction guaranteed
B B/A# G#m F# E
cause I'm thinking about a brand new hope, The one I've never known

Cause now I know, It's all that I wanted

[Break] B G#m E F# B x2

[Chorus 3]

What's the consolation prize, Economy sized dreams of hope

And I'm thinking about the only road, The one I've never known, and where it goes
B B/A# G#m F# E

Cause now I know, It's all that I wanted
