

Soul Meets Body by Death Cab for Cutie (2005) Key: Dm

/ = 1 beat

[Intro] Dm / / / / C / / / / x2

[Verse]

Dm F
I want to live where soul meets body

Dm F
And let the sun wrap its arms around me

Dm F
And bathe my skin in water cool and cleansing

C Dm
And feel, feel what it's like to be new

F
Cause in my head there's a greyhound station

Dm F
Where I send my thoughts to far off destinations

Dm F
So they may have a chance of finding a place

C
where they're far more suited than here

[Chorus melody scat]

Dm / / F / / C / / / / 4x
Ba da ba da da ba da da da

[Instrumental] Dm / / / / / / / / F / / / / / / / / x2

[Verse]

Dm F
I cannot guess what we'll discover

Dm F
We turn the dirt with our palms cupped like shovels

Dm F
But I know our filthy hands can wash one another's

C

And not one speck will remain

[Chorus]

Dm F C
I do believe it's true

Dm F C
That there are roads left in both of our shoes

Dm F
If the silence takes you

C Dm F C
Then I hope it takes me too

Dm F C
So brown eyes I hold you near

Dm F C
Cause you're the only song I want to hear

Dm F C Dm F C
A melody softly soaring through my atmosphere

[Bridge]

Dm / / / / / / F / / Dm / / / / / / N.C. / /
Where soul meets body

Dm / / / / / / F / /
Where soul meets body

C* / / / / / / / C
Where soul meets body

[Repeat Chorus]

[Outro] x3

Dmsus2 Dm Dmsus2
A melody softly soaring through my
