

Let's Be Friends by Carly Rae Jepsen (2020) Key: Em

[Intro] Em Am Bm

[Verse 1]

Em Am
Call out your persuasions. I've
Bm
got the feeling that you don't
Em
Know what to say. It's a, a black
Am
dress occasion. Nobody's dying,
Bm
it's a dinner not a date, but I
Em Am
feel young and inspired that this
Bm
iss over and I'm hoping you'll
Em
agree so I phase out and smile
Am
over that little phrase: it isn't
Bm
you baby, it's me

[Pre-Chorus]

Am Bm Cmaj7
So take the tarot card and
D Am
tell a fortune gold
Bm
The past heartbreaks,
Cmaj7 D
the lies we told, we tell again

[Chorus]

Em
Let's be friends then never speak
Am Bm
again. It's cool, we can just
Em
pretend we're friends and never
Am Bm
speak again. See you soon, hope we
(Em)
can remain good friends

[Verse 2]

Em Am
You take it, the bottle down.
Bm
Man, this is easier than how I
Em
thought it'd go. You're smiling
Am
like a devil. You tell me you were
Bm
coming here to let me know that
Em Am
It's over when it's over...
Bm
And it's over, baby

[Repeat Pre-Chorus and Chorus]

[Post-Chorus]

Em
(Catch you later)
Bm Am
Never gonna see you again
Bm Em
(See you never) Let's be friends
(Catch you later)
Bm Am
Never gonna see you again
Bm (Em)
(See you never) Let's be friends

[Bridge]

Em
I had a really nice time with you
Am Bm
I mean, you're sort of a dick
Em
sometimes but someone out there is
Am
surely gonna love a dick.
Bm
Uh, check please?

[Repeat Chorus and Post-Chorus]

[Outro]

Em Am Bm
Let's be friends.
Em
Let's be. Friends.
Am Bm
Not really though...
