VERSE ONE

C **Am G**
Where to go I had no idea

F **Am G**
26.10 was the price to pay

C **Am**
A messed up kid with no ideas at all

G **F** **Am G**
I thought those 26.10 I shouldn't give 'em away

VERSE TWO

C **Am G**
I remember this young guy died and I took his part

F **Am G**
He got far too many stitches on his pretty face

C **Am G**
Long time to see but I always thought us two would be serious

F **Am G**
I was looking around town, thinking the same as you

CHORUS

Dm
I'm far gone but your long distance call and your

F→Em→Dm
capital letters keep me asking for more

C
It's never been like that, it's never been like that

Cmaj7
It's never been like that, it's never been like that

C
It's never been like that, it's never been like that

Cmaj7
It's never been like that, it's never been like that, Oh!

Dm
I'm far gone but your long distance call and your

F→Em→Dm
capital letters keep me asking for more

C
It's never been like that, it's never been like that

Cmaj7
It's never been like that, it's never been like that

C
It's never been like that, it's never been like that

Cmaj7
It's never been like that, it's never been like that, oh!

Dm
I'm far gone but your long distance call and your

F→Em→Dm
capital letters keep me asking for more

C
It's never been like that, it's never been like that

Cmaj7
It's never been like that, it's never been like that

C
It's never been like that, it's never been like that

Cmaj7
It's never been like that, it's never been like that, oh!

Dm
I'm far gone but your long distance call and your capital letters keep me asking for more
