1. The moon is high - like your friends were the night that we first met  
Went home and tried to stalk you on the in-ter-net  
Now I've read all of the books beside your bed

The wine is cold - like the shoulder that I gave you in the street  
Cat and mouse for a month or two or three  
Now I wake up in the night and watch you breathe

Prechorus: (Ay!) Kiss me once 'cause you know I had a long night  
(Oh!) Kiss me twice 'cause it's gonna be all right  
(Uh!) Three times 'cause I've waited my whole life  
(1, 2, 1, 2, 3, 4)

Chorus: I like shiny things, but I'd marry you with paper rings  
Uh-huh, that's right, darling, you're the one I want  
And I hate accidents except when we went from friends to this  
Uh-huh, that's right, darling, you're the one I want

In paper rings, in picture frames, in dirty dreams, ah-oh, you're the one I want

2. In the winter in the icy outdoor pool  
When you jumped in first, I went in too  
I'm with you even if it makes me blue  
Which takes me back - to the color that we painted your brother's wall  
Honey, without all the exes, fights and flaws  
We wouldn't be standing here so tall so
