Oklahoma - Oh What A Beautiful Mornin Chords by **Misc Musicals**

Difficulty: beginner
Tuning: E A D G B E

These chords are not the exact ones from the movie Oklahoma! Rather, they are what I put together on my guitar.

```
A                       E           A
There's a bright golden haze on the meadow!
A                       E           A
There's a bright golden haze on the meadow!
A                                    D
The corn is as high as an elephant's eye
       E
And it looks like it's climbin' clear up to the sky!

CHORUS:
A                    D        A                    E
Oh, what a beautiful mornin'! Oh, what a beautiful day!
A                    D        A            E7       A
I've got a beautiful feelin', everything's goin' my way!

A                  E             A
All the cattle are standin' like statues.
                   E             A
All the cattle are standing like statues.
                                                  D
They don't turn their heads as they see me ride by,
      E
But a little brown maverick is winkin' her eye!

A                     E              A
All the sounds of the earth are like music!
                      E              A
All the sounds of the earth are like music!
                                       D
The breeze is so busy, it don't miss a tree,
       E
And an old weepin' willow is laughin' at me!
