NY I love you, but you're bringing me down - LCD Soundsystem

F
New York I love you,
Dm C#aug
but you're bringing me down
F
New York I love you,
Dm C#aug
but you're bringing me down
F
Like a rat in a cage,
Dm C#aug
pulling minimum wage
F
New York I love you,
Dm C#aug
but you're bringing me down
F
New York you're safer,
Dm C#aug
and you're wasting my time
F
Our records all show
Dm C#aug
you are filthy but fine
F
But they shuttered your stores,
Dm C#aug
when you opened the doors
F
To the cops who were bored
Dm C#aug
once they'd run out of crime
F
New York you're perfect,
Dm C#aug
please don't change a thing
F
Your mild billionaire mayor's
Dm C#aug
now convinced he's a king

F
So the boring collect,
Dm C#aug
I mean all disrespect
F
In the neighborhood bars
Dm C#aug
I'd once dreamt I would drink
F
New York I love you,
Dm C#aug
but you're freaking me out
F
There's a ton of the twist
Dm C#aug
but we're fresh out of shout
F
Like a death in the hall,
Dm C#aug
that you hear through your wall
F
New York I love you,
Dm C#aug
but you're freaking me out
F
New York I love you,
Dm C#aug
but you're bringing me down
F
New York I love you,
Dm C#aug
but you're bringing me down
F
Like a death of the heart,
Dm C#aug
jesus, where do I start?
F
but you're still the one pool
Dm C#aug
where I'd happily drown

F Dm
And oh.. take me off your mailing list,
C#aug F
For kids who think it still exists
Dm
Yes, for those who think it still exists
C#aug F
Maybe I'm wrong, and maybe you're right
Dm C#aug
Maybe I'm wrong, and maybe you're right
F
Maybe you're right, maybe I'm wrong
Dm C#aug
And just maybe you're right

---STACCATO---
F Dm C#aug F
And Oh..... maybe mother told you true
Dm
And they're'll always be somebody there for you
C#aug
And you'll never be alone
F
But maybe she's wrong, and maybe I'm right
Dm C#aug
And just maybe she's wrong
F
Maybe she's wrong, and maybe I'm right
Dm C#aug (F)
