9 to 5 - Dolly Parton // 1980 // key: F#

Intro: |**F♯** |**F♯** |[*Repeat 2x, second time with typewriter sounds*]

F♯ **B**
1. Tumble outta bed and I stumble to the kitchen, pour myself a cup of ambition
F♯ **C♯**
And yawn and stretch and and try to come to life
F♯ **B**
Jump in the shower and the blood starts pumpin', out on the streets the traffic starts jumpin'
F♯ **-** **C♯** **F♯ - F♯***
With folks like me on the job from 9 to 5

B **B**
Chorus: Workin' 9 to 5 - what a way to make a livin',
F♯ **F♯**
Barely gettin' by - it's all takin' and no givin'
B **B**
They just use your mind - and they never give you credit
G♯ **C♯**
It's enough to drive you crazy if you let it
B **B**
9 to 5 - for service and devotion
F♯ **F♯**
You would think that I would deserve a fair promotion
B **B**
Want to move ahead but the boss won't seem to let me
G♯ **C♯**
I swear sometimes that man is out to get me

Interlude: |**F♯** |**F♯** |[*More typing*]

F♯ **B**
2. They let you dream just to watch 'em shatter, you're just a step on the boss man's ladder
F♯ **C♯**
But you got dreams he'll never take away
F♯ **B**
In the same boat with a lot of your friends, waitin' for the day your ship'll come in
F♯ **-** **C♯** **F♯ - F♯***
And the tide's gonna turn an' it's all gonna roll your way

B **B**
Chorus: Workin' 9 to 5 - what a way to make a livin'
F♯ **F♯**
Barely gettin' by - it's all takin' and no givin'
B **B**
They just use your mind - and they never give you credit
G♯ **C♯**
It's enough to drive you crazy if you let it
B **B**
9 to 5, yeah - they got you where they want you

F♯ **F♯**
There's a better life - and you think about it don't you
B **B**
It's a rich man's game - no matter what they call it
G♯ **C♯**
And you spend your life putting money in his wallet

Chorus: [*Repeat last chorus (without Workin'), end on **E***]
