

Gravity Rides Everything - Modest Mouse // 2000 // key: E

Intro: | **A^{add9}** | **E** |

A^{add9} **E**
1. Oh, gotta see, gotta know right now
A^{add9} **E**
What's that riding on your everything? It isn't anything at all.

A^{add9} **E**
Oh, gotta see, gotta know right now.
A^{add9} **E**
What's that writing on your shelf, in the bathrooms and the bad motels

A^{add9} **E**
No one really cared for it at all, not the gravity plan.
A^{add9} **E** **A^{add9}**
Early early in the morning it pulls all on down my sore feet
E
I wanna go back to sleep.

Chorus: [*quieter, arpeggios*]

A^{add9} **E**
In the motions and the things that you say, it all will fall, fall right into place
A^{add9} **E**
As fruit drops, flesh it sags, everything will fall, right into place
A^{add9} **E**
When we die, some sink and some lay, but at least I don't see you float away
A^{add9} **E**
And all the spilt milk, sex and weight, it all will fall, fall right into place.

Interlude: | **A^{add9}** | **E** |

A^{add9} **E**
