1. **C#** **C#** **B** **B**
Blue morning blue morning, wrapped in strands of fist and bone
C# **C#** **B** **B**
Curiosity, kitten, doesn't have to mean you're on your own
C# **C#** **B** **B**
You can look outside your window, he doesn't have to know
C# **C#** **B** **B**
We can talk awhile, baby, we can take it nice and slow

F# **F#sus2** **B** **B**
Chorus: All your life is such a shame, shame, shame
F# **F#sus2** **B** **B**
All your love is just a dream, dream, dream

C# **C#** **B** **B**
2. Are you happy when you're sleeping? Does he keep you safe and warm?
C# **C#** **B** **B**
Does he tell you when you're sorry? Does he tell you when you're wrong?
C# **C#** **B** **B**
I've been watching you for hours, it's been years since we were born
C# **C#** **B** **B**
We were perfect when we started, I've been wondering where we've gone

Chorus: [Repeat Chorus]

C#* **N.C.** **B*** **N.C.**
3. I dreamt I saw you walking up a hillside in the snow
C#* **N.C.** **B*** **B**
Casting shadows on the winter sky as you stood there counting crows

C# **C#** **B** **B**
One for sorrow, two for joy, three for girls and four for boys
C# **C#** **B** **B**
Five for silver, six for gold and seven for a secret never to be told
C# **C#** **B** **B**
There's a bird that nests inside you, sleeping underneath your skin
C# **C#** **B** **B**
When you open up your wings to speak, I wish you'd let me in

F# **F#sus2** **B** **B**
Chorus: All your life is such a shame, shame, shame
F# **F#sus2** **B** **B**
All your love is just a dream, dream, dream

F# **F#sus2** **B** **B**
Open up your eyes, you can see the flames, flames flames
F# **F#sus2** **B** **B**
Of your wasted life, you should be a-sha-a-a-amed

F# **F#sus2** **B** **B**
