

I Can Change - LCD Soundsystem // 2010 // key: Ab

Intro: | **F#*** **Ab*** **Ab*** **X* X** | [Repeat 4x] [n.b. Try adding **Ab/Bb** and **Db/Eb** on last beat of each **Ab** and **Db** run]

Ab

1. Tell me a line, make it easy for me

Ab **Db Db**
Open your arms, dance with me until I feel all right

Ab

It's good in the dark, good in the dark

Ab **Db Db**
But into the lover's light, here comes another fight

Ab

So ring the alarm, ring the alarm

Ab **Db Db**
Bore me and hold me and cling to my arm, here it comes, here it comes

Ab

And what you're asking me now, disastrous now

Ab **Db Db**
Hoping and hoping and hoping the feeling goes away

Ab

Chorus: Never change, never change, never change, never change

Ab **Db Db**
Never change, never change, never change, this is why I fell in love, ooh

Ab

Never change, never change, never change, never change

Ab **Db Db**
Never change, never change, never change, that's just too up there in love with (in loveeeee...)

Interlude: | **F#*** **Ab*** **Ab*** **X* X** | [Repeat 4x]

Ab

2. This is the time the very best time

Ab **Db Db**
So give me a line and take me hooome, take me o-veeer

Ab

But dashing the hopes, dashing the hopes

Ab **Db Db**
And smashing the pride, the morning's got you on the ropes, ooh

Ab

And love is a murderer, love is a murderer

Ab **Db Db**
But if she calls you tonight, everything is all right, yeah, we knooooow

Ab

And love is a curse shoved in a hearse

Ab **Db Db**
Love is an open book to a verse of your bad poetry, and this is coming from me

A♭

Chorus: But I can change, I can change, I can change, I can change

A♭

D♭ D♭

I can change, I can change, I can change, if it helps you fall in love (in loveeeee...)

A♭

But I can change, I can change, I can change, I can change

A♭

D♭ D♭

I can change, I can change, I can change, if it helps you fall in love (in loveeeee...)

Interlude: | **A♭** | **A♭** | **D♭** | **D♭** |

A♭

3. Turn on the light make it easy for me

A♭

D♭

D♭

Fill the divide, fumble in the kitchen 'til it's right... what an awful sight

A♭

But there's love in your eyes, love in your eyes

A♭

D♭

D♭

Love in your eyes, but maybe that's just your love of fights... all niight!

A♭

Chorus: And I can change, I can change, I can change, I can change

A♭

D♭ D♭

I can change, I can change, I can change, if it helps you fall in love (in loveeeee...)

A♭

And I can change, I can change, I can change, I can change

A♭

D♭ D♭

I can change, I can change, I can change, if it helps you fall in love (in loveeeee...)

A♭

And I can change, I can change, I can change, I can change

A♭

D♭ D♭

I can change, I can change, I can change, if it helps you feel real love (in loveeeee...)

A♭

And I can change, I can change, I can change, I can change

A♭

D♭ D♭

I can change, I can change, I can change, if it helps you fall in love (in loveeeee...) [*End on A♭**]
