

Ben Howard - Keep Your Head Up

[Verse 1]

C Em7
I spend my time, watching
G C
The spaces that have grown between us.
Em7
And I cut my mind on second best,
G C
Oh the scars that come with the greenness.
Em7
And I gave my eyes to the boredom,
G C
Still the seabed wouldn't let me in.
Em7
And I try my best to embrace the darkness
G C C*
In which I swim

C Em7
Now walking back, down this mountain,
G C
The strength of a turnin' tide.
Em7
Oh the wind so soft, and my skin,
G C
Yeah the sun was so hot upon my side.
Em7
Oh lookin' out at this happiness
G C
I searched for between the sheets,
Em7
Oh feelin' blind, to realize,
G C
All I was searchin' for... was me.
Em7 G C
Oh oh-oh, all I was searchin' for was me...
D
Oh yeah

[Chorus 1]

Em7 D C
Keep your head up, keep your heart strong. no no no no
Em7 D C
Keep your mind set keep your head whole. Oh my my darlin
Em7 D C
Keep your head up, keep your heart strong. Na oh no no
Em7 D
Keep your mind set in your ways...
C C*
And keep your heart strong

[Verse 2]

C Em7
I saw a friend of mine, the other day,
G C
And he told me that my eyes were gleamin'.
Em7
I said I'd been away, and he knew
G C
Oh he knew the depths I was meanin'.
Em7
And it felt so good to see his face,
G C
Oh the comfort invested in my soul,
Em7
to feel the warmth, of his smile,
G C
when he said, 'I'm happy to have you home.'
Em7 G C
Oh oh-oh, I'm happy to have you home.
D
Ohh

[Chorus 2]

Em7 D C
Keep your head up, keep your heart strong. no no no no
Em7 D C
Keep your mind set, keep your hair long. Oh my my darlin
Em7 D C
Keep your head up, keep your heart strong. Na oh no no
Em7 D
Keep your mind set in your ways...
C C*
Keep your heart strong

[Bridge]

G* D* C*
And I'll always remember you the same.
G* D* C*
Oh eyes like wildflowers, oh within demons of change.
D
Keep your head up, keep your heart strong.
(Ohhh...)
D
Keep your head up, keep your heart strong.
(...may you find happiness here)
D
Keep your head up, keep your heart strong.
(Ohhh...)
D
Keep your head up, keep your heart strong.
(...may all your hopes all turn out right)

↑ [REPEAT Chorus 2] ↑

[Outro]

G* D* C*
'Cause I'll always remember you the same.
G* D* C*
Oh eyes like wildflowers, oh within demons of change.
