

Intro: **B**

1. Well I guess it would be nice If I could touch your body
I know not everybody Has got a body like you
But I've got to think twice Before I give my heart away
And I know all the games you play Because I play them too

Prechorus: Oh but I need some time off from that emotion,
Time to pick my heart up off the floor
Oh when that love comes down without devotion
Well it takes a strong man baby but I'm showing you the door

Chorus: Cause I gotta have faith... I gotta have faith
Because I gotta have faith, faith, faith I gotta have faith, faith, faith

2. Baby I know you're asking me to stay
Say please, please, please don't go away You say I'm giving you the blues
Maybe You mean every word you say
Can't help but think of yesterday And another who tied me down to loverboy rules

Prechorus: Before this river becomes an ocean
Before you throw my heart back on the floor
Oh baby I reconsider my foolish notion
Well I need someone to hold me but I'll wait for something more

[Repeat Chorus]
