

No Place to Fall by Townes Van Zandt

(1973/1978)

Capo 2 Key of E (3/4)

D DMaj7 D7

If I had no place to fall

G D

and I needed to

Em G

could I count on you

D

to lay me down?

D Dmaj7 D7

I'd never tell you no lies

G D

I don't believe it's wise

Em G

you got pretty eyes

D

won't you spin me 'round

Em A

I ain't much of a lover it's true

Em F#m

I'm here then I'm gone

D E

and I'm forever blue

A N.C.

but I'm sure wanting you

D Dmaj7 D7

Skies full of silver and gold

G D

try to hide the sun

Em G

but it can't be done

D

least not for long

D Dmaj7 D7

And if we help each other grow

G D

while the light of day

Em G

smiles down our way

D

then we can't go wrong

Em A

Time, she's a fast old train

Em F#m

she's here then she's gone

D E

and she won't come again

A

won't you take my hand

[Chorus]

D DMaj7 D7

If I had no place to fall

G D

and I needed to

Em G

could I count on you

D*

to lay me down?
